

PRE-MOTION  
**CATWALKER GIANT**

CHOOSE FROM 4 PRESENTATION SYSTEMS FOR  
 LARGER OBJECTS

The Catwalker Giant is meant for the presentation of larger and heavier products up to a max. of 30 kg, such as mannequins and design chairs. Place your products onto the catwalk and let them 'walk' through your store, exhibition stand or museum. Guaranteed attention for your products!

**Giant Baggage Belt**  
 (175 x 400 cm\*)

\*Or purchase a custom length

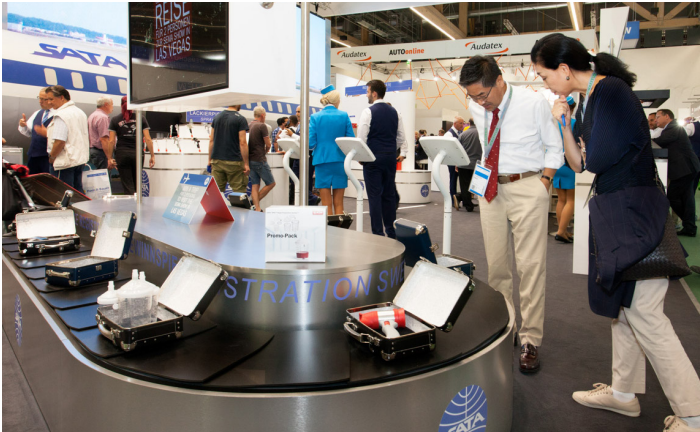

**Giant Single Lane**  
 (50 cm wide)

**Giant Twin Lane**  
 (100 cm wide)

**Giant Compact**  
 (120 x 200 cm)

**Catwalker Baggage Belt**  
 For objects up to 10 kg.

Your products move around on a lane of thirty 'scales'. This Baggage Belt is 40 cm wide.

**Giant Single Lane**  
 For objects up to 30 kg.

Compose your own Route Around and make creative use of the open space in the middle.

**Giant Twin Lane**  
 For objects up to 30 kg.

Compose your own creative Route Return that goes back and forth into your venue.

**Giant Compact**  
 For objects up to 30 kg.

Oval shaped Plug & Play system with four display plates. Easily transportable due to its size.
